

The Experience

Velorail is a unique ecological activity that brings users through the rural hinterland of Kiltimagh using their own power on a unique railbike.

Ideal for families or other groups, the fun of the ride is mixed with the chance to experience the countryside and environment at its best following the old Railway line which closed to passengers in 1963.

Our Products

There are a range of different railbikes on offer to patrons:

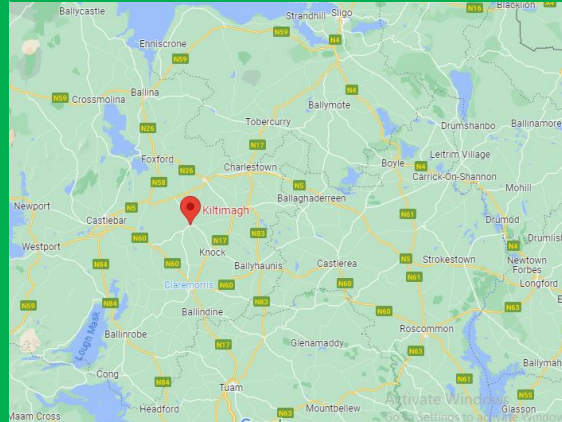

Four-seater railbikes (4 pedal)

Five-seater railbikes (2 pedal)

Two-seater railbikes, which can also carry a standard wheelchair (2 pedal)

Fun for all the family located in the heart of County Mayo!

Velorail has given new life to the local railway line, which had been left derelict for over 50 years.

Velorail

Completely unique experience to Ireland

www.velorail.ie

Visiting Velorail

Velorail is only five minutes off both the N5 and N17, making it easily accessible. This new tourist attraction makes for an ideal detour off the Wild Atlantic Way. Velorail is suitable for all ages once all riders can be seated in their own seat, and is wheelchair accessible, making it a fully inclusive amenity.

Booking Velorail

All bookings for Velorail are to be made online at www.velorail.ie. Please arrive 30 minutes prior to your chosen departure time. Scan the QR code for access.

Safety Rules

- Velorail is a physical activity that requires a moderate level of physical fitness. We require each group to have at least two adults, one over 18 years to take the role of “lead rider” and one over 16 years both of whom must have a reasonable level of fitness to be able to propel the Railbike over the duration of the route.
- Safety Belts are to be worn at all times during the journey.
- Children must be accompanied by an adult.
- Wear suitable shoes and clothing for the activity i.e., no open toed shoes and remember that Velorail is an outdoor activity in Ireland so please dress appropriately.
